

Detailed program - HV maintenance program and Biology transformer commissioning

Note - for safety reasons, **buildings will be closed** during HV/LV maintenance and no access will be permitted. If you require emergency access assistance, please contact Security on 8201 2880.

6th July 2024

Time	Activity	Buildings affected	Impact
5am	Building lift isolation	Sir Eric Neal Engineering Building	Lifts will be out of action. No accessible access.

Power partially restored to buildings. Lifts will not be operational.			

14th July 2024

Time	Activity	Buildings affected	Impact
6am	Power isolation to south ridge (partial)	Sir Eric Neal Engineering Building	Power loss to all buildings. Buildings with backup power generators will only have a 30 second power loss to allow power switch from SAPN to backup generators.
		IST	
		SILC	
		Data Centre	PEEM Lab, XRD Lab & Data centre will get power from backup generators. Engineering North, IST and SILC will not have power.
6pm	Power restoration to south ridge(partial)	Sir Eric Neal Engineering Building	Power restored to all buildings. Buildings with backup power generators will only have a 30 second power loss for power to switch from backup generators back to SAPN.
		IST	
		SILC	
		Data Centre	
6pm - 7pm	Building lift restoration	Sir Eric Neal Engineering Building	Lifts will start working again. Accessible access restored.
		IST	
		URRSA	
Power fully restored to all buildings. Lifts will be operational.			

20th July 2024

Time	Activity	Buildings affected	Impact
5.30am	Building lift isolation	Education Building	Lifts will be out of action. No accessible access.
6am	Power isolation	Education Building	Power loss to the building.
6pm	Power restoration	Education Building	Power restored to the building.
6pm - 6.30pm	Building lift restoration	Education Building	Lifts will start working again. Accessible access restored.
	Power fully restored to building.		

This schedule is subject to change without notice.
