

CNHS HDR Community

All new HDR students in the College of Nursing & Health Sciences are automatically added to the CNHS HDR Community. The Community is a Teams site, with a range of channels including:

- **General:** A place where general information and updates is posted.
- **Feedback:** A place for any feedback on the HDR experience. HDR students can post or use the Qualtrics link to share anonymous feedback.
- **Opportunities:** Employment, volunteer, award, presentation or other opportunities of interest to the CNHS HDR community.
- **Resources, Questions and Support:** A place to share any resources, ask questions or seek guidance.
- **Social:** A place to connect e.g., to organise a shared lunch or coffee, have an online check in with other students, or extend an invite to an event.

If you are a new HDR student and you do not have access to the CNHS HDR Community, please let us know at cnhs.hdrstudents@flinders.edu.au
