

**Purpose**

The purpose of this scholarship is to support provide financial assistance to a high achieving woman commencing the honours year of the Bachelor of Science (Physics).

**Source of funds**

The scholarship is funded by a donation from Associate Professor Maria Parappilly.

**Benefits**

Each scholarship will have a value of \$1,000 per annum paid in equal instalments after the census date of each semester. One scholarship will be available per year for the duration of the funding.

**Eligibility**

The scholarship recipient must:

- be female; and
- be enrolled full time in the honours year of the Bachelor of Science (Physics) Honours at Flinders University; and
- have completed the Bachelor of Science (Physics).

Scholarships are available to part-time students in exceptional circumstances, which includes (but is not limited to) disability, illness or carer responsibilities. Part-time scholarship recipients will receive the same annual value as full-time scholarship recipients.

**Tenure**

The tenure is 1 year. The scholarship will be paid in two equal instalments, after the census date of each semester.

**Leave**

Leave will be permitted for the second semester of this scholarship, for a maximum of one semester only.

**Selection**

The scholarship will be awarded on the basis of GPA in the third year of the Bachelor of Science (Physics). If there is more than one female sharing the highest GPA, results in specific topics will be taken into consideration.

Scholarship selection will be made in accordance with approved procedures.

**Applications**

Applications can be made online through the student management system.

**Advertising**

The scholarship will be advertised on the University website and other appropriate media as determined by Flinders University.
