

BE FEARLESS IN THE HEART OF ADELAIDE

Study at Flinders City Campus

**Flinders
University**

There's just something about study in the city

That hum of people as you walk through the train station. The smiles you get from other students on the bus or the tram. Winter mornings grabbing a coffee on King William Street, or summer afternoons catching some sun in Elder Park.

It's in the heart of it all. Just steps from the train station, with open, flexible, collaborative spaces to study and learn, views across the city and the riverbank, and a vibe that will make you happy you chose to study at Flinders.

Acknowledgment

Flinders University acknowledges the Traditional Owners and Custodians of the lands and waters on which its campuses are located. These are the Traditional Lands of the Arrernte, Dagoman, First Nations of the South East, First Peoples of the River Murray and Mallee region, Jawoyn, Kurna, Larrakia, Ngadjuri, Ngarrindjeri, Ramindjeri, Warumungu, Wardaman and Yolngu people.

We honour their Elders past, present and emerging.

Find your place, your space, and your people

Flinders' new city campus has been designed for you. The moment you step inside you'll feel welcomed.

From the first floor with its refreshment station, chill spaces and balcony, and throughout every level, you'll find spaces that are custom-built for innovative learning experiences, quiet study or collaboration with your teachers and other students.

Spread over eight levels, our city campus has everything you could imagine: fast wi-fi connectivity, student cafés and kitchens, printing facilities, library, relaxation areas, secure lockers and more. Each level is designed to inspire and encourage you to make the most of your uni experience.

Feel supported from the start

Starting study at a new campus can be confusing, but don't worry. Our City Campus Services team are absolute support gurus. Whatever you need, they're here to make sure you don't feel overwhelmed or out of place. Enrolment help, counselling and disability support, help with fees, exams, graduations or even just help finding your way around, you name it, we're here. You'll find staff on hand who can guide you and advise you.

Connect with industry

You're studying for a reason, right? To gain the skills and knowledge you'll need to get the career you want. Flinders city campus has amazing teachers and awesome facilities, but it also has strong connections to industry.

What does that mean? It means you'll be able to study alongside and connect with key arts, business, government, sports, health and tech organisations. Speakers such as Zak Robson, Associate Director at Westpac Institutional Bank, Michael Kowal, Finance Director at BAE Systems and the Hon Zoe Bettison MP, Minister for Tourism and Multicultural Affairs are just a few of the influential voices who have spoken to and connected with students at Flinders city campus.

There's so much happening in and around the city, and you'll be in the right place to make the most of your uni years.

How's

Your

Day?

7.00am

Your alarm goes off.
You hit snooze.

7.10am

Your alarm goes off.
You hit snooze.

7.20am

Your alarm goes off.
The sun peaks through
the window, it's gorgeous
outside. Okay letsssgo!

8.00am

Time to get dressed, grab your stuff and get out of the house. You have an early tutorial on Level 4. Actually, it's not that early but you're catching up with some other students in Rundle Mall for a coffee and an almond croissant. You grab your laptop and coat, jump on the bus and scroll TikTok sending your friends a few on the way in.

11.00am

Your tutorial was great. David Trim, partner at Hall Chadwick was invited to speak and had some great insider intel on what it's like working in a major chartered accounting firm. You also discovered some key things to consider when you're on placement.

The one thing that
stuck in your head is
that it's more than just
'work experience', you
can actually *contribute*
when you go on
placement. You have
some ideas, so you
head to the Level 4
balcony to take notes.

12.30pm

Lunch? A few of your friends are from out of town and live at The Switch student accommodation on North Terrace, just 5 minutes away. They know some great cafés. You plan to spend the rest of the afternoon studying on Level 6 overlooking the Festival Centre, so you have plenty of time.

4.00pm

You're off to Palace Nova on Rundle Street to watch a movie. You store your laptop in a locker, put your coat on and head out. Two tutorials tomorrow, and you're meeting with your course coordinator for some advice. Maybe you'll just hit the snooze button once. Maybe.

Study in the heart of the city. Live and breathe Adelaide.

Adjacent to the Adelaide Railway Station and surrounded by some of the city's most vibrant areas and attractions, Flinders' new city campus is right where you want to be.

Enjoy all the action and attractions of the city centre, or take advantage of key train, tram and bus connections to explore the best of the South Australian countryside and beaches. You'll see why Adelaide was named one of the world's top 30 student cities 2024.

If you're from interstate or overseas, The Switch, just a 5-minute walk from campus, offers all-inclusive rental options with exclusive discounts for Flinders University students.

Within a 5-minute walk from campus

- Adelaide Convention Centre and Adelaide Festival Centre
- Museum and Art Gallery
- Public transport
- River Torrens and Linear Park
- Rundle Mall shopping precinct
- The Switch student accommodation

Within a 10-minute walk

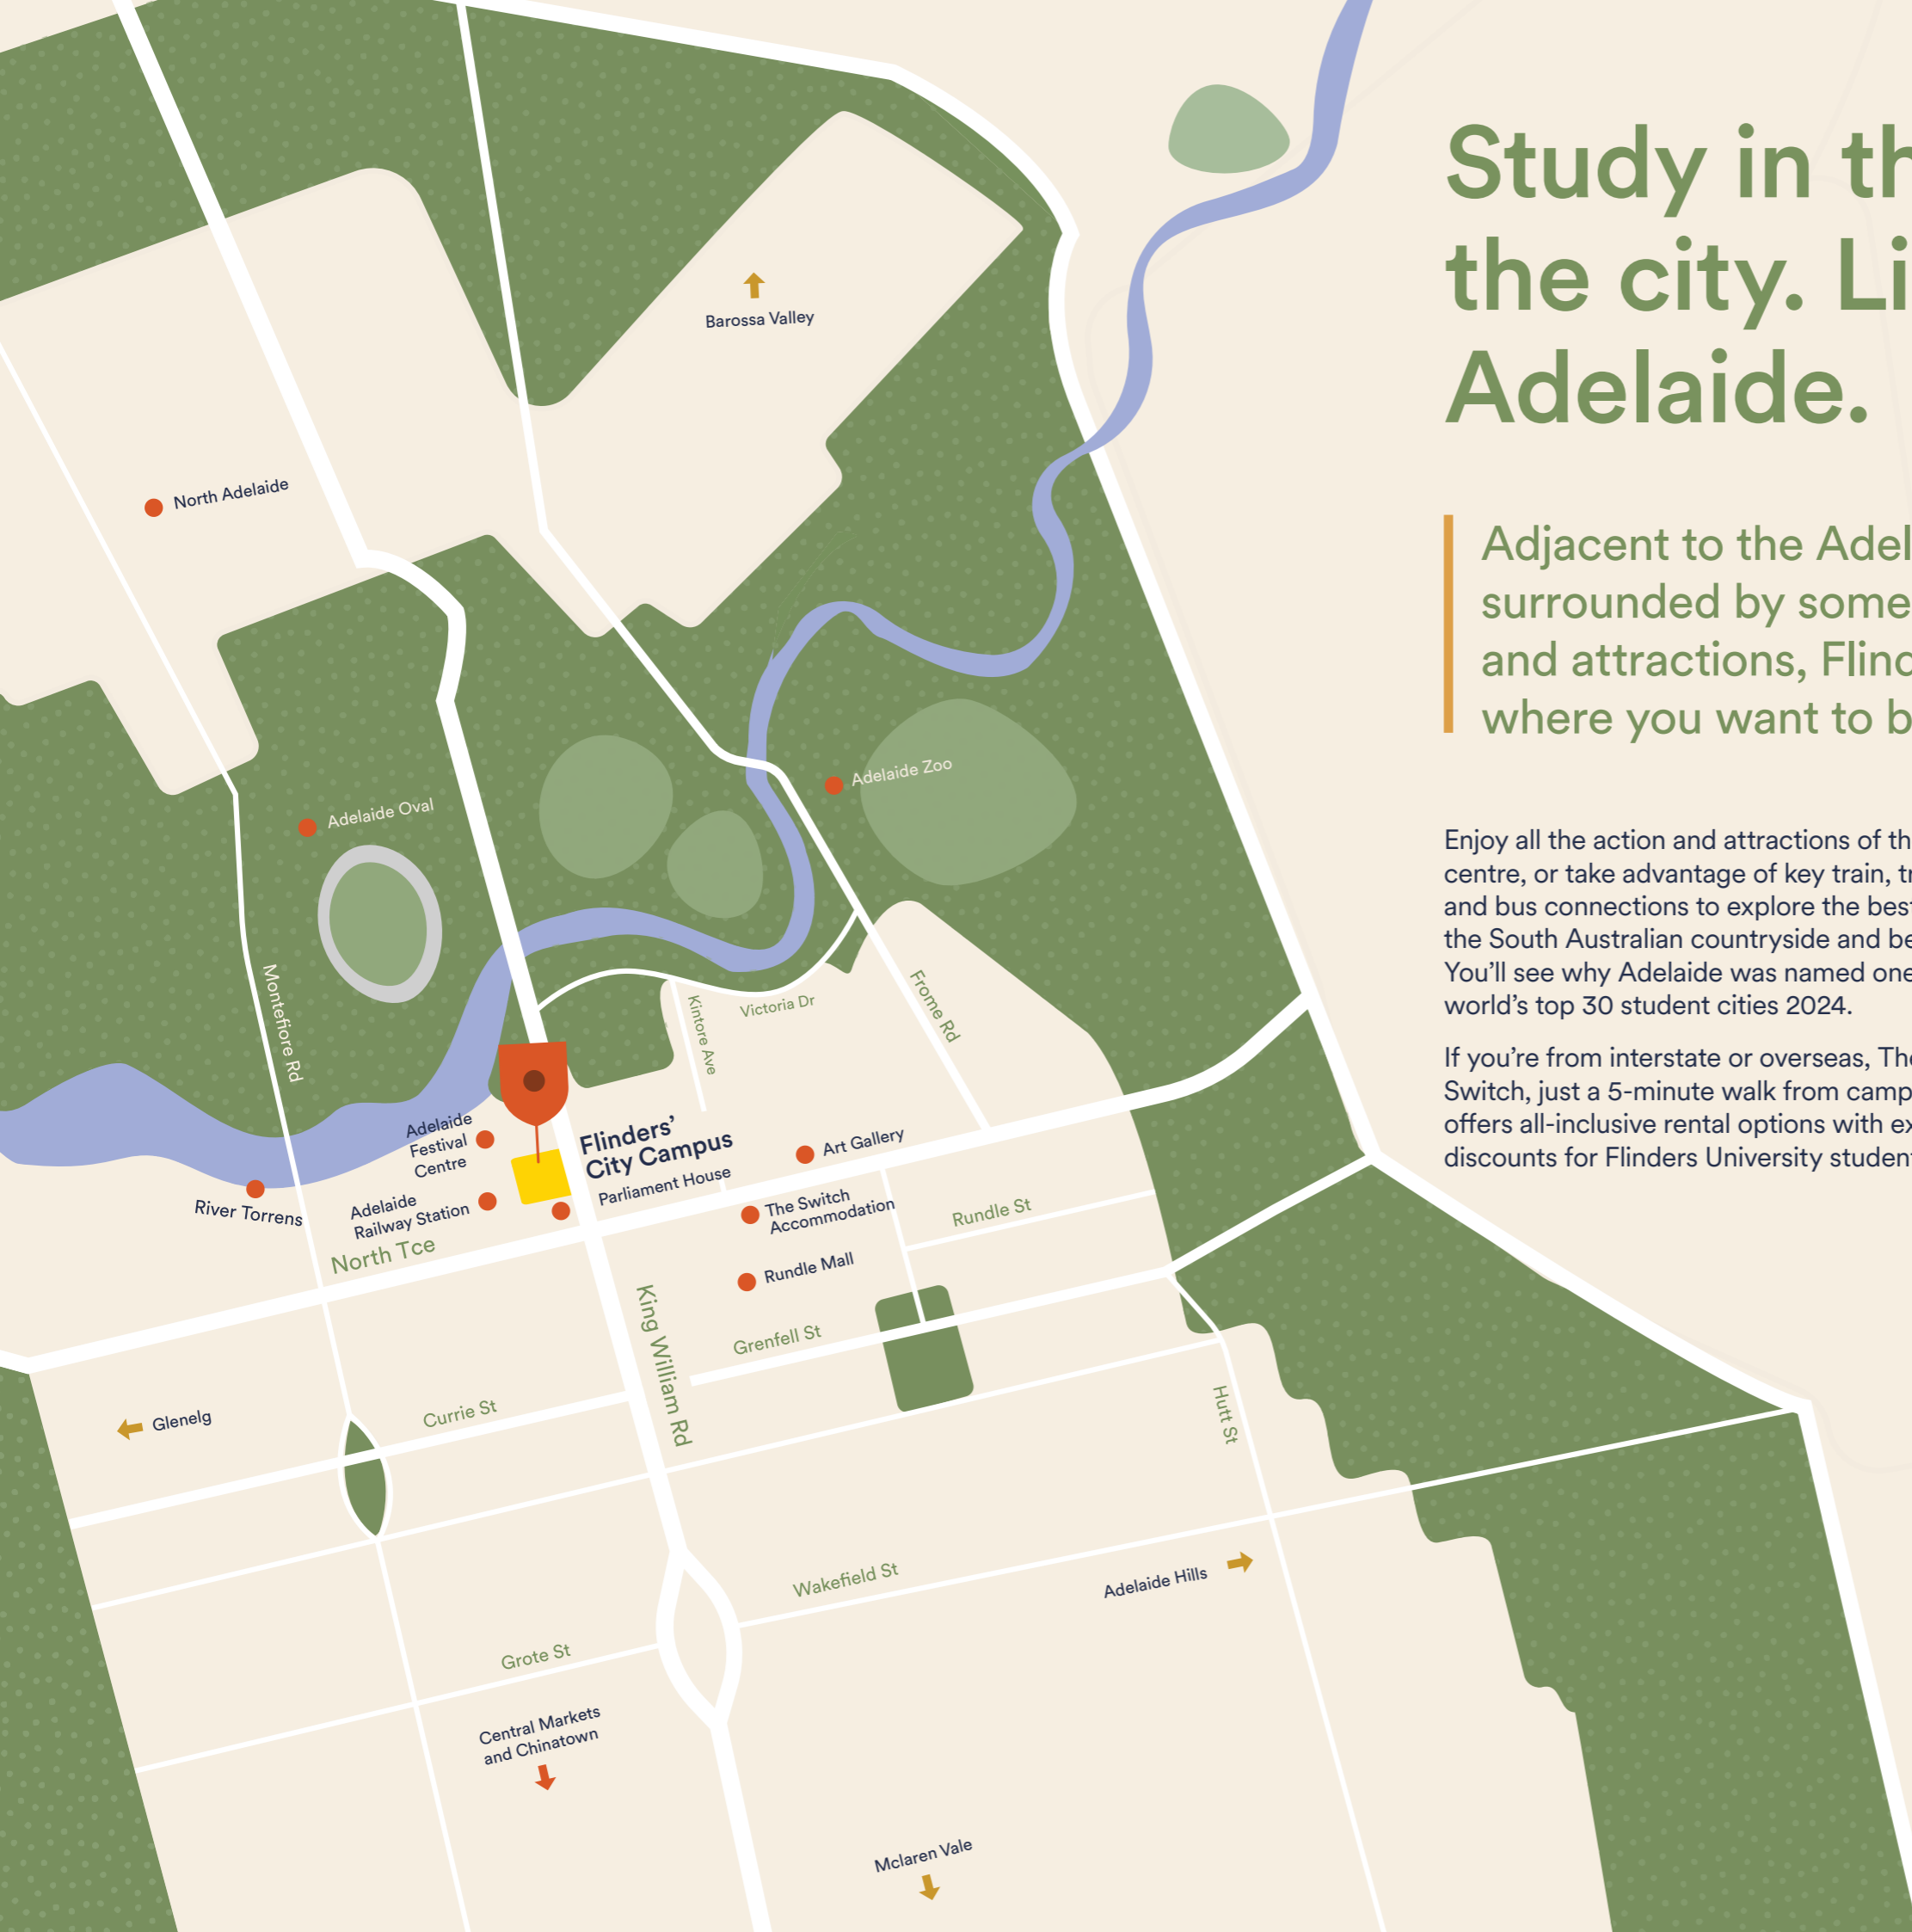

- Adelaide Central Market
- Chinatown

Within a 20-minute drive

- Glenelg Beach
- Adelaide Hills region

Within a 40-minute drive

- Barossa Valley and McLaren Vale wine regions

Applying to study

How to apply

Applying to study at Flinders is easy, but there are some steps you'll need to follow. Applicants need to apply through the South Australian Tertiary Admissions Centre (SATAC).

You'll find application dates and details at:
satac.edu.au

Before you apply

Visit the course page you're interested in via the QR codes in this brochure, or via flinders.edu.au/study to make sure you have all the information and admission criteria you need, such as prerequisites and assumed knowledge.

You may also want to explore alternative pathways to your degree or combined degrees.

After you've applied

Once you've received an offer to a course, visit students.flinders.edu.au/my-course/enrolment to enrol in your subject/topics.

Fees and charges

As an undergraduate student your course is Commonwealth supported provided you're an eligible Australian citizen, New Zealand citizen or permanent resident. This means that your course fees are shared between the Australian government and you. You may then choose to apply for a HECS-HELP loan to pay your student contribution amount. Find out more at:

flinders.edu.au/fees

If you have any questions

Feel free to contact us via phone, email or through a one-on-one appointment. We're always happy to help.

flinders.edu.au/study/contact-us

Starting at Flinders

When can I start?

Flinders offers two admissions cycles each year for undergraduate degrees. Semester 1 starts in March. If you've decided to take a break from schooling, you may decide to start mid-year in Semester 2, which starts in July. Note that not all degrees offer a Semester 2 start, so check the relevant course page via:

flinders.edu.au/study

Applications for both Semester 1 and Semester 2 open the previous August.

Key dates

Semester 1 2025 start date: 24 February 2025

Semester 1 Orientation week: 17 February 2025

Semester 2 2025 start date: 21 July 2025

Semester 2 Orientation week: 28 July 2025

Student support

Student support at Flinders starts from well before you apply. Our Flinders Support and Services Directory (students.flinders.edu.au/support) covers:

- health and wellbeing
- study and learning
- financial support and assistance
- enrolment and course support
- admin and technology
- careers and employment
- security
- Indigenous student support.

Our support team is on hand to answer any questions you might have via phone, email or 1-on-1 sessions. If you have any questions, contact us via:

flinders.edu.au/study/contact-us

Flinders Living

Flinders is the only university in Adelaide that gives you the opportunity to live on campus.

flinders.edu.au/living

Flinders University Student Association

The Flinders University Student Association (FUSA) continues a long tradition of active student involvement and represents the rights and interests of students.

fusa.edu.au

Yungkurinthe Student Engagement

Yungkurinthe Student Engagement provides a range of services and supports for Aboriginal and Torres Strait Islander students.

flinders.edu.au/study/indigenous-students

Glossary

There are many terms used within a university that may be unfamiliar or confusing. The link below contains a list of common university terminology.

students.flinders.edu.au/glossary

Flinders scholarships

Flinders offers a generous range of scholarships for students in undergraduate courses. With over 400 available scholarships, including scholarships to students from low socio-economic backgrounds, students from rural and regional areas, and Aboriginal and Torres Strait Islander students, you may be eligible for support that will help you achieve your goals at university.

flinders.edu.au/scholarships

Business Scholarship

If you're considering studying an undergraduate Business degree at , you may be eligible for a \$7,500 scholarship per year for three years.

Scan to find out more.

Work Integrated Learning

Flinders' Work Integrated Learning (WIL) will improve your employability by helping you better understand the day-to-day skills employers are looking for, and by giving you the chance to gain real experience in a workplace environment directly related to the course you're studying.

You might take on a work placement or internship, gain hands-on experience through field education, or get involved in projects with industry or community organisations.

flinders.edu.au/WIL

Combined degrees

Explore your interests and unlock more career opportunities by combining degrees. Combining your degree with a qualification in another discipline will help you develop specialised abilities to stand out from the pack. Studying a combined degree at Flinders is the key to enhancing your career opportunities.

For a full list of combined degree options visit:

flinders.edu.au/combineddegrees

Admission Pathways

Whether you are a school leaver or returning to study at a later date, there are many ways to gain admission to Flinders University. Explore your options and find the entry path that's right for you.

flinders.edu.au/pathways

Year 12 entry

Most Year 12 applicants enter university via the traditional entry method, where offers are made to eligible applicants with the highest selection rank until all places in the degree are filled.

flinders.edu.au/year12

Guaranteed entry

If you achieve an ATAR equal to or above the published guaranteed entry selection rank (and you meet course prerequisites) you will be guaranteed a place at Flinders for most courses.

Year 12 Grades Entry Scheme

Upon SACE completion, by using three of your best Year 12 grades, you can gain a place in your course of choice. This is in addition to being considered on any other pathway for which you are eligible.

Indigenous Admission Scheme

The Indigenous Admission Scheme provides an alternative pathway for Aboriginal and Torres Strait Islander people. Visit:

flinders.edu.au/indigenousadmissions

Elite Athlete Pathway

If you've officially represented your school or state at a national level competition, we'll consider your school's recommendation about your academic potential when you apply.

flinders.edu.au/study/sport/elite-athletes

Research Project B Pathway

If you have strong results in the Research Project B subject you will be considered for entry into Flinders on the basis of your Year 12 results and Research Project B performance.

flinders.edu.au/study/pathways/year-12-entry/research-project

School Recommendation Program

We may consider your school's recommendation about your academic performance as part of your admission into Flinders.

uniTEST

If you're in Year 12, uniTEST is available to enhance your chances of getting into Flinders.

flinders.edu.au/unitest

If you haven't achieved the results you expected

If you haven't achieved the results you expected in Year 12, there are a number of pathways to your preferred degree. You can start studying one course and move to another via internal transfer or Flinderslink.

flinders.edu.au/study/pathways/flinderslink
