2025

# A career in health...

# is life- changing

Flinders University offers a range of future-focused health degrees that will allow you to follow your interest across a diverse range of areas such as: medicine, nursing, health sciences, exercise science, disability, audiology, public health, psychology and more. Choose a degree that reflects your passions and graduate with the skills and knowledge to make a positive impact on the health industry now and into the future.

Flinders University acknowledges the Traditional Owners and Custodians of the lands on which its campuses are located. These are the Traditional Lands of the Arrernte, Dagoman, First Nations of the South East, First Peoples of the River Murray & Mallee region, Jawoyn, Kaurua, Larrakia, Ngadjuri, Ngarrindjeri, Raminidjeri, Warumungu, Wardaman and Yolngu people. We honour their Elders past, present and emerging.

“My degree is really vibrant and dynamic. You do a lot of practical experience in the laboratories and the equipment is really good. The lecturers and tutors are confident in their teaching and they are keen to teach you. We can ask anything from them and they help you negotiate your work.”

## Bachelor of Nursing (Preregistration)

### Bachelor of Nursing (Preregistration) (Riverland)

Nursing is so much more than a job. Once you start at Flinders, you'll begin studies that can lead you to a variety of clinical settings. You'll prepare for a role as a registered nurse who is reflective about their practice, has well-developed clinical reasoning skills and a commitment to lifelong learning.

- You'll have the option to undertake your studies at Flinders Bedford Park or our rural campus in the Riverland.
- Professional placements will prepare you for the workplace, both simulated in state-of-the-art laboratories and in clinical venues in rural and metropolitan South Australia.
- Graduates of this degree are eligible to apply for registration with the Nursing and Midwifery Board of Australia as a registered nurse.

## Bachelor of Midwifery (Preregistration)

Reap the rewards of being at the heart of care for women and families before, during and after the most monumental time of their lives. With a focus on the principles of primary health care and continuity of carer, you will gain a thorough understanding of high quality, evidence-based midwifery care while developing clinical theory and skills to apply in your daily practice as a midwife.

- Gain the clinical skills, knowledge and competence to register as a midwife with the Nursing and Midwifery Board of Australia.\*
- Undertake professional placements in all areas including antenatal, labour, birthing, postnatal and special care nursery.
- Learn to be a confident, responsible and accountable health professional who provides support, care and advice to women before, during and after childbirth.

\* This degree is accredited by the Australian Nursing and Midwifery Accreditation Council.

## Find your own path

We understand that everyone is different. So, in addition to the preregistration courses, the University offers the following graduate courses to enable people from a range of different educational backgrounds to study and apply for registration as a practising nurse or midwife.

## Bachelor of Nursing (Graduate Entry)

The Bachelor of Nursing (Graduate Entry) is an accelerated course leading to registration as a nurse with the Nursing and Midwifery Board of Australia (NMBA) for graduates with a degree in an academic area other than nursing (including midwifery), or nurses who hold a degree that does not currently lead to NMBA registration.

The equivalent of nine units of study focused on an understanding of body structures and function such as human biology, physiology and anatomy is also required.

The Nursing and Midwifery Board of Australia requires minimum English level requirements to be met. For further information visit their website: [nursingmidwiferyboard.gov.au](http://nursingmidwiferyboard.gov.au)

## Bachelor of Midwifery (Registered Nurse Entry)

The Bachelor of Midwifery (Registered Nurse Entry) is for candidates who are graduates of a nursing degree and/or hold a current practising certificate as a registered nurse who would like to become eligible to register with the Nursing and Midwifery Board of Australia as a midwife. This pathway aims to prepare students with midwifery knowledge, skills and competence to work across the full spectrum of maternity care.

## Riverland campus

The Riverland campus of Flinders University is located in the rural township of Renmark, nestled within one of South Australia's richest horticultural regions.

Studying in the Riverland offers you a distinct rural focus and provides you with many opportunities for professional and personal development. Personally, it provides you with the chance to experience a different lifestyle and meet new people. Professionally, getting involved in the diversity and variety offered by rural practice helps you to develop high levels of professional competence, independence, resourcefulness and flexibility.

The Riverland program is identical in structure and level of qualification to our Adelaide program.

Your study will be enriched through education from University staff, local clinicians and visiting academics. You'll have the opportunity for professional experience placements in local hospitals, community centres and aged-care facilities. Placements in metropolitan Adelaide are also available.

You'll experience integrated learning on the grounds of the Renmark Paringa District Hospital.

Study in the Riverland offers:

- access to computer suite, wi-fi and student common room with kitchen
- state-of-the-art clinical skills laboratory
- modern classrooms plus a library and video conference facilities

## Bedford Park

Flinders' huge main campus features an award-winning hub and plaza, with retail, food outlets and a state-of-the-art sport and fitness centre.

## Tonsley

Flinders at Tonsley is a place where our students interact with business, and where business interacts with our researchers in areas such as engineering, medical devices and nanoscale technologies.

### Our campuses

Flinders' Adelaide campuses include our main Bedford Park campus and Flinders at Tonsley, which features close links to industry. Our stunning new city campus is situated at Festival Plaza on North Terrace, right beside the Adelaide Railway Station.

Take a virtual tour of Flinders University and explore our amazing locations.

### Getting to Flinders

Flinders is well connected to Adelaide by bus and train. The Flinders Railway Line gets you from our new city campus to Tonsley in a super-fast 20 minutes, or to Bedford Park in just 22 minutes.

Explore all our transport options.

Flinders University's cutting-edge, vertical campus offers a new way of learning in the heart of the city. Flinders' city campus at Festival Plaza has been designed for flexibility, collaboration and immersion. Here, students will gain the knowledge and practical skills they need to confidently step into their careers.

Spanning eight levels, with multiple state-of-the-art teaching spaces, Flinders' new city campus is designed for innovative and adaptable learning, catering to an extensive range of study programs. Every floor has dedicated spaces for students to come together, learn from industry experts and be inspired by a world of learning possibilities.

# Applying to study

## How to apply

Applying to study at Flinders is easy, but there are some steps you'll need to follow. Applicants need to apply through the South Australian Tertiary Admissions Centre (SATAC).

You'll find application dates and details at:

[satac.edu.au](https://satac.edu.au)

## Before you apply

Visit the course page you're interested in via the QR codes in this brochure, or via [flinders.edu.au/study](https://flinders.edu.au/study) to make sure you have all the information and admission criteria you need, such as prerequisites and assumed knowledge.

You may also want to explore alternative pathways to your degree or combined degrees.

## After you've applied

Once you've received an offer to a course, visit

[students.flinders.edu.au/my-course/enrolment](https://students.flinders.edu.au/my-course/enrolment) to enrol in your subject/topics.

## Fees and charges

As an undergraduate student your course is Commonwealth supported provided you're an eligible Australian citizen, New Zealand citizen or permanent resident. This means that your course fees are shared between the Australian government and you. You may then choose to apply for a HECS-HELP loan to pay your student contribution amount. Find out more at:

## Glossary

There are many terms used within a university that may be unfamiliar or confusing. The link below contains a list of common university terminology.

[students.flinders.edu.au/glossary](https://students.flinders.edu.au/glossary)

# Flinders scholarships

Flinders offers a generous range of scholarships for students in undergraduate courses. With over 400 available scholarships, including scholarships to students from low socio-economic backgrounds, students from rural and regional areas, and Aboriginal and Torres Strait Islander students, you may be eligible for support that will help you achieve your goals at university.

[flinders.edu.au/scholarships](https://flinders.edu.au/scholarships)

# Work Integrated Learning

Flinders' Work Integrated Learning (WIL) will improve your employability by helping you better understand the day-to-day skills employers are looking for, and by giving you the chance to gain real experience in a workplace environment directly related to the course you're studying.

You might take on a work placement or internship, gain hands-on experience through field education, or get involved in projects with industry or community organisations.

[flinders.edu.au/WIL](https://flinders.edu.au/WIL)

# Combined degrees

Explore your interests and unlock more career opportunities by combining degrees. Combining your degree with a qualification in another discipline will help you develop specialised abilities to stand out from the pack. Studying a combined degree at Flinders is the key to enhancing your career opportunities.

For a full list of combined degree options visit:

[flinders.edu.au/combineddegrees](https://flinders.edu.au/combineddegrees)

# Admission Pathways

Whether you are a school leaver or returning to study at a later date, there are many ways to gain admission to Flinders University. Explore your options and find the entry path that's right for you.

[flinders.edu.au/pathways](https://flinders.edu.au/pathways)

## Year 12 entry

Most Year 12 applicants enter university via the traditional entry method, where offers are made to eligible applicants with the highest selection rank until all places in the degree are filled.

[flinders.edu.au/year12](https://flinders.edu.au/year12)

## Guaranteed entry

If you achieve an ATAR equal to or above the published guaranteed entry selection rank (and you meet course prerequisites) you will be guaranteed a place at Flinders for most courses.

## Year 12 Grades Entry Scheme

Upon SACE completion, by using three of your best Year 12 grades, you can gain a place in your course of choice. This is in addition to being considered on any other pathway for which you are eligible.

## Indigenous Admission Scheme

The Indigenous Admission Scheme provides an alternative pathway for Aboriginal and Torres Strait Islander people. Visit:

[flinders.edu.au/indigenousadmissions](https://flinders.edu.au/indigenousadmissions)

## Elite Athlete Pathway

If you've officially represented your school or state at a national level competition, we'll consider your school's recommendation about your academic potential when you apply.

[flinders.edu.au/study/sport/elite-athletes](https://flinders.edu.au/study/sport/elite-athletes)

## Research Project B Pathway

If you have strong results in the Research Project B subject you will be considered for entry into Flinders on the basis of your Year 12 results and Research Project B performance.

[flinders.edu.au/study/pathways/year-12-entry/research-project](https://flinders.edu.au/study/pathways/year-12-entry/research-project)

## School Recommendation Program

We may consider your school's recommendation about your academic performance as part of your admission into Flinders.

## uniTEST

If you're in Year 12, uniTEST is available to enhance your chances of getting into Flinders.

[flinders.edu.au/unitest](https://flinders.edu.au/unitest)

## If you haven't achieved the results you expected

If you haven't achieved the results you expected in Year 12, there are a number of pathways to your preferred degree. You can start studying one course and move to another via internal transfer or Flinderslink.
